

Dear colleagues,

The Department of Technical Education (KAT) at the Faculty of Education (FPE) at University of West Bohemia (ZČU) in Pilsen holds the international contest of student scientific vocational activity named

Technologies Contest Plzeň 2009

<http://olympiadatechniky.zcu.cz>

We invite you to the third year of the international contest of vocational works of students who study field Technical Education.

There are two sections of the contest:

A) diploma works

B) non-diploma works

Section B will be divided:

works with the didactic character

works with the vocational (technical) character

works with the multimedia character

This international contest is held with support of ZČU and Pilsen Municipality.

Guarantees of the contest are rector of ZČU doc. Ing. Josef Průša, CSc. and dean of FPE doc. PaedDr. Jana Coufalová, CSc.

The contest will be carried out with support of companies Škola Welding s.r.o and SDP KOVO s.r.o. Medial partner of the contest is Český rozhlas Plzeň.

The contest will be at KAT on **26th and 27th May 2009**. More details and instructions of the contest you can find on the web side of the action.

Steering committee:

Doc. PaedDr. Jarmila Honzíková, Ph.D.

PaedDr. Petr Mach, CSc.

Mgr. Jan Krotký

Marcela Lukšíková
