

Dear colleagues,,

The Department of Technical Education (KAT) at the Faculty of Education (FPE) at University of West Bohemia in Pilsen holds the international contest of student scientific vocational activity named

## Technologies Contest Plzeň 2010

<http://olympiadatechniky.zcu.cz>

We invite you to the fourth year of the international contest of vocational works of students who study Technical Education.

There are two sections of the contest:

A) diploma works

B) non-diploma works

Section B will be divided:

Works with the didactic character

Works with the vocational (technical) character

Works with the multimedia character

This international contest is held with support of ZČU and Pilsen Municipality.

Guarantees of the contest are rector of doc. Ing. Josef Průša, CSc. and dean of FPE doc. PaedDr. Jana Coufalová, CSc.

The contest will be carried with support of companies Plzeňská Teplárenská a.s., Inel Holding a.s., Škola Welding s.r.o a SDP KOVO s.r.o. Media partner of the contest is Czech radio - Český rozhlas Plzeň.

The contest will be at KAT on **25th and 26th May 2010**. More details and instructions of the contest you can find on the website of the action.

Steering committee:

Doc. PaedDr. Jarmila Honzíková, Ph.D.

PaedDr. Petr Mach, CSc.

Mgr. Jan Krotký

Marcela Lukšíková
